PLEASE TAKE SPECIAL NOTE:

*We have changed the Confirmation program recently, so that our students get confirmed in the following fall, which for 2018 is scheduled to occur on **Reformation Sunday, October 28th**. Students in 9th grade or older are welcome to discuss with Pr. Lund and Amanda their desire to be confirmed; faith statement drafts will be due October 17, 2018.

**Although our confirmation class schedule takes a break for the summer, our youth programming does not. An important part of preparing to be confirmed, i.e. affirming one's faith in front of God and the church, is taking part in the life of one's faith community. Please encourage your kiddo to continue attending church and youth activities throughout the summer, so that they can continue growing in their relationship with God.

In addition to our regular youth summer scheduled activities, I would like for our group to consider attending Confirmation Camp together this summer out at Luther Glen. When Luther Glen releases its dates for the summer of 2019, I will let you know what the dates are and we can figure out how to make such a trip work for our group.
